“ *Ive known Alvin and susy since I was a kid. I'd have to say they were so sweet and kind. Now Alvin loved to fish and was such a character. I remember running into him and have your long conversarions about everything. I'm going to miss your funny jokes and you.im I pray that you rest in peace..i pray that God surrounds Suzy and family in his wings and gives them the strength to pull through this. Love y'all. My heart and prayers are with you all.*
