“ *I remember Anna from our high school days. Anna was a couple years ahead of me in school, but we had a P.E. class together. Anna was very nice and treated me kindly as an under class-man. I am not surprised that Anna became a nurse because she had a sweet and caring personality. My deepest sympathy to her family. Cathi Jarnigan Robinson, Spartanburg, South Carolina (Class of 72)*

“ *I got to know Anna as her room mate at Jefferson City Health and Rehab and she became a very dear and special friend to me. I will always remember Anna she was a person you just can not forget. I love you Anna and you will always hold a special place in my heart. I know the coming days is going to be hard on the family. I am sending prayers and love to the family. May God Bless you all*
