“ *Annie was an aunt I could call anytime and she would listen and talk. My grandparents Charles Hubert Hubbard and Edith Arlene Hubbard loved Annie like their own daughter. I will forever remember the days as a child when the families would get together for Christmas and Thanksgiving at mammaw’s and pappaw’s. My prayers go out to all surviving family members as grief can be a tough road. I have a special prayer for David (Dave) as he has lost his life long partner. God Bless all of you and may Annie’s movement into heaven be a time that brings us together to rejoice. Donald Eugene Breeden, Son of Peggy Jean Hubbard Fields. 🙏*
