“ Tony and I were like brothers growing up. Played on the same ball teams all the time, playing war and shooting each other with bb guns in the field across from his house by the river. We used to jump across this huge creek bed to see if we could make it to the other side without even thinking of breaking our legs. 😊 We always had a blast together whether it was trading baseball cards or comics to winning conference championships together in football. I loved him and will for everyday that comes until I see him again.

“ I was so sorry to here that Tony passed away. He will be missed by many people. If it wasn't for Tony and His crew of men I wouldn't have been able to rebuild my son's garage. My heart goes out to his Wife and family. I will pray God be with them in their time of sorrow and days ahead.

“ I have known Tony and the Smith family all my life. I have such great memories of Tony as a boy, while I went to church with him at Beaver Creek. I also have great memories of Tony in action on the baseball field, while he played baseball for my Dad as a teenager.

Tony will be missed! Keeping the Smith Family in my prayers!
