Gail was a sweet friend and I am happy to say that we were still friends many years after the days of Jefferson Elementary School. I was so excited to share in her 50th wedding anniversary to Sammy. She had such a big heart and she loved Sammy and her family so very much. What a wonderful lady! That is Gail and me on the top row standing side by side.

“ *Nana Gail (as Hayley always called her) was one of the sweetest ladies I know. She always loved Hayley and told me she was a granddaughter to her too. I've known this family most of my life and they are the most loving people I have ever known. My thoughts and prayers go out to you all. I remember seeing Sam and Gail at the grocery store, he always took great care of her and you could see the love for one another in there eyes. Trish and Sam I pray that the lord gives you peace and comfort during this time. I love you Trish, Abbi, Hailey, and Shelby.*
