“ To Whitney and all of Joe's family: We would like to offer our condolences to your family in this very sad time. We really didn't know him except for some occasional messaging of neighborhood things. We do know he was in a lot of pain and now he is in a better place. Joe was a good man Who could put a smile on your face on a dark day. He had a heart of gold and would help anyone he could. Around the first part of May one year we wanted snow cream. Joe and us loaded up in his dodge and went to Max Patch. Joe filled cooler full of snow and brought it back and. Becky made us all snow cream. Great memories of a great guy.
