“ Bobby and Peggy have been my neighbors for 30 years. Bobby was the go to person for lawn mower problems and Peggy was always sharing her blueberries, blackberries and all the other things they grew. Couldn't ask for better neighbors. They will be missed. ❤️ Condolences to their daughter Helen, who was their light.

“ I remember them both from where I worked at Food City. And Helen rode to school with us Peggy was always cutting up and Bobby was a little quiet from what I remember. But one thing for sure they loved each other and they both adored Helen. They can celebrate their Anniversary together as always.
