“ *Joe was very giving of time for others to help out with whatever needed to be done and usually for little to nothing for helping , even when offered most usually turning it down, as he told me several times just pay it forward to someone who really needs it so i donated to a local charity around Christmas in his name so kids could have a special Day, Joe will be missed and remembered for his kindness and willingness to help me. Prayers for the Brooks family as I got to know most of them , love sent from The Maples & Weather Doctor families , His Grace is Sufficient for Us All.*

“ *Connie I am so very sorry to hear of Joey’s passing. I have known him I think since the second grade and grew up just down the road from him. I remember his mom and dad bringing the kids to church at Blue Springs. I know you will miss him terribly. I will keep you and your family in my prayers. Sending Love and prayers for you all.*

“ I had the pleasure of working with Joe on several building projects, and I was always impressed by his knowledge and skill. Joe always seemed to have an effortless way of accomplishing even the most challenging task. I will miss Joe's humor and optimism the most. Please know that the Dinwiddie family is praying for you during this difficult time.
