“ I was a Secretary at the Knoxville Police Department in the 1970's and was privileged to work with Boyce. He was always a true gentleman and ready to help in any way he could. He had a great sense of humor and kept us laughing all the time. I lost touch with all these fine officers after I left the Department to start my family, but they always bring back special memories. Jo Ella, I always remember him talking about his precious wife, because I had never heard that name before and haven't since, but he loved you very much and proclaimed it all the time. May GOD comfort and strengthen you all in your loss. LOVE & PRAYERS!!!!

Tommy I thought your Dad was a great friend. I met him while I worked at George Caldwell Insurance and enjoyed his company when he came by the office.

“ Boyce came on the police department the same day I did. We were always friends. Boyce loved his family dearly and was a good man. I was proud to call Boyce my friend and he will be missed. My prayers go out to his family at this very sad time. God bless you.
