“ *I'm gonna miss you so much baby brother. We had some crazy talks. I'm gonna miss your phone calls at all hours of the day and night. I probably should of told you more that I loved you. Even though you were a pain in the butt sometimes. Give Mom and Ashlee a big hug for me I miss them so much too. I'll see you again someday. I will always love you!*

“ Love you bunches Uncle Brad!!! You were also the genuine YOU know matter what! We love you and miss you! I will always be your FAVORITE niece and you will always be my FAVORITE UNCLE!!! Some of my best moments with you were spent as a kid. You were always hanging out, riding your dirt bike and just being crazy. We loved the same music and would jam out just riding down the road. I miss old times! I know if you were here you would say not to be crying over you! You were wild and fun and sometimes crazy but you were never FAKE! May you rest in peace with our Papaws and Mamaws ,Uncle Bernie, and Ashlee 🙏 You will be missed
