“ It's so hard to come to terms with this. Brittany was an amazing person & friend. She welcomed me with open arms on my first day of beauty school, and she even done my makeup for me for my wedding. She was such a beautiful woman & I will always cherish her. I am just completely and utterly shocked at her passing. I loved her so much. Your family & Brett are in my prayers, especially that little girl- but I know EVERYONE will tell her how incredibly awesome and beautiful her mom was & just how much she loved & wanted her. RIP sweet girl <3

“ *Mere words are not adequate to describe the depth of despair we felt at learning of this horrible tragedy. Sweet little Brittany was so deeply loved by so many. She was a rare and precious gem. My grandmother died at the age of 22. My step-grandmother said she had been too good to live on this sinful earth. I think that can also be said of Brittany. We shouldn't grieve for her, she's in a perfect paradise with our Lord. We grieve for our loss of such a sweet and perfect angel.*

My deepest sympathy to this precious family that I love so much.
