“ Bryan would give the shirt off his back and go hungry, believe it or not, to see that someone else had what they needed. His kindness and generosity will be hard to keep up with for anyone. He was loved by so many and he will be missed so much is not even funny. If anyone needs anything, please feel free to contact me via Facebook messenger if you don't have my number.

Really want to say a lot, but really don't know what to say to Bryan's family. Bryan was Averì's first real boyfriend, he spent a lot of time around our family. Bryan helped me so much. They dated during the time that we went through my divorce and Bryan stepped up to the plate a lot. He would do anything to help us. He was the man of the house, doing yard work, fixing things and even buried our family pet. He was a good young man!

I have cried all week and I have been so MAD that this terrible thing happened to him. I guess God needed a strong kind man to help in heaven- somehow. I can't help but ask.... why?

Bryan will forever be a part of our family and have a special place in our forever memories. I pray that Cathy and Ryan will find comfort with the friends and community wrapping love around them.

*Love you all,
Melinda Parker/ Averì's Mom*

*i remember bryan well. he came to my wedding ceremony with my partner and i at the maryville library back in 05. he was a bright young man, and accepted us for us. no judgement. that is what impressed me about him. he didnt care. he actually told people that were there picketing that there is no need for them, and please leave. i am great full for him. sorry to hear this young man passed so soon in life. my prayers to his family.
