I love you Papaw and need you but that's the selfish part of me because I know Nanny was there waiting for you and needs you much more. You are gone to reunite with the one and only love of your life and for that warms my heart. I was blessed with the best grandparents a girl could ever ask for. You will live in my heart everyday from here on. I miss you Papaw. Watch over my baby boys. We love you . Xoxoxo
