“ I will always have unending gratitude to this man, because he loved his daughter so much, and entrusted me with her as my bride. No need to go hard in the turns anymore Ken. You have the straightaway, clean air, and all the power you will ever need. Godspeed to my Father in Law, and God's Grace to his legacy.

“ Ann and family - thank you for sharing Ken with us every day. He taught me so much and I will always remember laughing with him, him trying to teach me how to shoot, his racing stories, and hearing him talk about how much he loved his family. Ann and family
Ken was taken from us so early in life. Just like so many good people are. I feel honored to have met Ken and I wish I had the opportunity to work with Ken longer than I did. I'm sure together, we could have done great things for the City and for KPD. I miss Ken, but I know he is with the Lord, in a better place. Please let me know if there is anything I can do for you or your family.

Ann and Family,

I was honored to have known Ken through my job in Public Safety Sales. Ken was so Kind to me over the years when I called on him at the City of Knoxville Garage. He was a Man that believed in quality and held us to a high standard in the products and services that we provided, but also knew how to make you feel like his best friend. I grew to call him not only a business acquaintance but Friend. Over the years I learned much about his family and how proud he was of them and how much he Loved Them! When he spoke of you, Ms. Ann, it was always with a soft tone in his voice and you could see the love in his eyes. Ken was a mans man but didn't let that stop him from showing the Love for his family. I was honored when he once invited me to his house and showed me so many of things he loved about living where he did. Ken I will miss you, I will remember our last conversation and Prayer together forever. My prayers now are for comfort for the family and friends in this time of Great Loss. Kyle Pippin
