“ Rest easy girl! Your gonna be missed dearly watch over them babies from above an always show them signs your with them. Now you got all of lives struggles an worries behind you an get be at peace . You was so young but God don't go by age he goes by when he needs us fir him. This home here on earth is just temporary an we are all gonna be together one day in heaven. Tell my mom I love her when you see her there cause I know she's with you to. I'm sure you didn't realize how many people loved an cared about you an are gonna really miss you cause we never do know till it's to late but just know you left a lifetetime of memories behind.
