“ What a beautiful heart! Cathy was always such a great listener, encourager and had such a dry wit! Cathy and I worked together at the credit union, enjoyed many lunchtime chats and laughter!

Cathy's smile was contagious! I will continue to lift up the Vesser family in prayer as God holds you close.

“ I worked with Cathy at the credit union until I retired in 2016. She was such a hard worker showed respect to all. A true blessing to work with. My prayers to the family and her friends during this difficult time. May God give you comfort and strength during this time. 🙏
