“ *Oh my God, I don't even know where to begin. Chris you share a big place in my heart, you was like a big brother to me. The day you came to live with me, I was thinking oh god what have I done, I don't even know this man, lol. But it worked out great. You was the big brother that I've not had in a long time. We shared our laughter and our secrets and so much more. You will be missed dearly, rest in peace big brother, until I see you again my friend.*
