“ Her beautiful smile. I love eating breakfast with her at work. Enjoyed being around her, she would always make you laugh. She made the most beautiful diaper stack for Bonnie. Her beautiful long hair. And every time I would pick them up (Dacia and Eric) they would always call me Rae Rae. And all the neat stuff Debbie would buy for them , Dacia wanted me to play with her. Dacia sure know how to twirl a baton. That blonde hair and her little pink outfit. She didn't like getting up early in the morning for school. And the smile she would have on her face when she was around little guy. Love you forever
