“ *I didn't have an opportunity to get to know Daniel very well unfortunately, but It is a true testament to him to see the love everyone has for him. He has a beautiful family that will meet him up in Heaven one day. We will all pray for comfort for his family.*

“ *Prayer for One Who Has Lost a Spouse*

O'Heavenly Father, I am now in the shadow of great loneliness. My helpmate has been taken from me. Yet I submit in holy faith to Your divine will. I know that You loved Daniel and that they are now in Heaven rejoicing with You (2 Colossians 5:8). Lord, right now I don't know what to do with the rest of my life. Please lead and guide me in this time of uncertainty. Help me Lord, to seek out opportunities to help those less fortunate than myself so that I can be a blessing to them. Help me to keep from feeling sorry for myself in my present condition. Keep my heart alive with Your love for my neighbor, so I can carry on Your work of love in this world. One day I know I will be reunited with Daniel in Heaven, where we both will worship You for all eternity. Amen. Rebekah, you and the girls are in my prayers and I want you to know I am here for you

“ There are no words to ease your pain, our comfort is knowing that we will meet Daniel again in Heaven. We have only know your family for 5 years but in that time Lee and Daniel became very close. Lee called him his little buddy and cared for him as if he was his own child. They have laughed and they have cried, they have hugged and they have fussed, But they always knew they could count on each other. Rebekka and girls we love you dearly and are only a few steps away, no matter what you may need. Daniel, you will be missed here on earth we can't wait to see you again with no pain, no suffering, and no tears.
