“ *As a child, I would sit on his lap and ask him to “tell me something.” The stories he would tell and the laughter we shared count for many, many hours of my life. I went to work with him, rode around the country side listening to country music, enjoyed millions of calories of his cooking, spent all night talking, and reliving my childhood. It was easy loving him and I will forever feel and remember all of our time together. Love you Uncle Danny.* ”

“ May God’s grace and comfort be with our family at this sad time.

When I was a small child visiting my grandmother Uncle Danny would ride his bicycle to the small country store to get snacks for me like FunYuns onion snacks, Moon Pies, and Salted Peanuts.
