

David Wayne Booker

March 5, 1958 - May 3, 2025

David Wayne Booker, age 67, of Strawberry Plains, Tennessee, passed away on Saturday, May 3, 2025. David was surrounded by his family, who loved him dearly and held his hand through it all. Over the past two years, David fought a hard battle with cancer and never gave up. Unfortunately, the cancer ultimately took its toll, but we take comfort in knowing that he received the ultimate prize in the end. Though he's no longer with us, we find peace in knowing he is with our Lord Jesus and is no longer suffering.

David is preceded in death by his father, T.A. Booker, and his grandparents on both his mother's and father's sides. He is deeply missed by his mother, Polly Booker; his brother, Richard Booker; his daughter, Nicole (Brian) Wittmer; and his son, Cody (Stephanie) Beeler. His grandchildren, who will miss him so much, are Carmen (James) Jones, Britton, Kyleigh, Aubree, Addalyn, Boston, Amelia, Mason, and Leland. He is also survived by his great-grandson, Oakley.

“ *David fought so hard to beat the cancer. He won the ultimate fight though and is with our Lord and Savior Jesus Christ. I really admired him for that. He was talented and a worker. I met him on Facebook and really appreciated keeping up with him there. HE inspired me and countless others to do what you want in spite of your circumstances. He started a business and so much more while he fought cancer. Fly high sweet friend.*
