“ *George was one of a kind. He was the first person to come help anytime you called never wanting praise I count myself as blessed to have had him in my life. He was not only my uncle but a friend. George touched so many lives and will be missed by all who knew him. He is loved and missed so much by not only me but so many.*

“ It was always great to ride with him and Dennis. George would always be to the right and behind me. I never worried about him being there he was an excellent rider. I'll miss seeing him out on his trike. Ride on my friend.

“ This is heartbreaking. I have fond memories of George. He was always willing to help. He loved his “toys”. We sat together for the derby last year and he told me all about them and how much he loved working on the farm and being with Barb. A genuine person that will be greatly missed. There just isn't enough....
