“ *Dad, you will be truly missed! Your soft spoken voice and your positivity on life is something I will never forget. You would always look at the bright-side of things, as I'm trying to do now. I'll miss you dearly and will cherish all of our fun adventures at the cottage or that time we drove to an island to buy a sailboat! Wait, what about the time we drove to CT to get that cool wood working bench? LOL. Good times Dad, good times :) Until we meet again, may you rest in peace.*
