“ I was saddened to hear of Deb’s passing. She was always kind and good. I worked with her ten years in the Music Dept at Carson-Newman and I thought the world of her. She shared her life with me and I shared mine. She loved her family dearly and she was a friend to us all. She was a woman of faith - we had several fine conversations on the subject. Rest In Peace, Deb. You will be missed here but goodness, there must be some rejoicing going on in heaven when you entered your forever home. Blessings to your family and friends.
