“ My aunt Della was my exploring buddy when I was young. The items we found many years ago will be on display at our retirement home after I depart the USCG. My mom, Joan has always referred to her in a loving way after their mom past, Della took over and stood the watch. I will miss her and see again in glory. Jimmy

Jimmy's Aunt Della was one of the kindest souls I've ever met. She was Jimmy's buddy searching for relics when he was younger. We will always love and remember Della.

“ My sister Della was a very loving sister and was my " walking encyclopedia." She was very intelligent and also a very hard worker. She will be greatly missed by all of us. She fought a good battle and is now at home with her Lord and Saviour. We loved her dearly.
