“ *Ricky (my son from another Mother) my heart goes out to you on the loss of your Dad. I know you're heart broken and my heart aches for you. You're Dad was very fortunate to have you for his son. He was a good man and will be missed. He is in a better place now and in no pain. Just know that you will see him once again in heaven standing by the hand of God and Jesus Christ. You're in my thoughts and are in my prayers. I Love You,

“ Donald had such a loving caring heart. It didn't matter how sick he was, he always had a smile. So very dedicated to his family, he often took on more than was humanly possible to handle. I'm sure that came from his intense love for all. Will be sadly missed, but remembered for his beautiful heart and smile.
