

Donald Michael Hulick

April 27, 1933 - November 13, 2020

Donald M. Hulick, age 87, of Jefferson City, passed away on November 13, 2020. He was a disabled U.S. Air force Veteran.

He was preceded in death by his first wife, Juanita Miles Hulick; sons, Andy and Michael Hulick. He is survived by his grandson, Michael James Hulick; and daughter-in-law, Debra Cruvey. He is also survived by his wife, Betty Jo Mullins Hulick,; stepchildren, Brenda and Mike Jarmusz, Brenda and Chris Cantrell, step-grandchildren, Patrick and Tiffani Jarmusz, Justin and Jen Jarmusz and Laura and Ken Rush; beloved cat, Missy Britches, who he always said was a good dog.

He spent the last 5 plus years, surrounded by family that loved him. Instead of being alone in a nursing home, he had a loving wife, new daughters, grandsons and granddaughters, who gave him love and good memories. He had 7 great-grands that he absolutely adored, Michael, Malachi, Makayla, Xavier, Breanna, Payton and Preston. These last years could have looked very different for him, but our God is good. We are grateful to have been able to step into the fullness of God's sweet plan for his life. A special thank you to Pastor Robert Scott, Deacon Clyne Stanley and our church family from Source of Faith Worship Center in New Market, for their love and support. Also a special thank you to his family friend, Becky Guinn, who just recently went thru this herself and still reached out to comfort us.

In lieu of flowers, memorial donations may be made to Fielden Funeral Home for funeral expenses. The family will hold a private memorial service at a later

date. Arrangements by Fielden Funeral Home.

“ *I truly miss Papa , Aka Don Hulick, he was one of the most caring and supportive and loving people you could ever meet but if you crossed him or his family he didn't have a problem with letting you know it. He treated me like I was his daughter, we had alot in common. I will cherish the talks we had. He believed in me and would always praise me for something rather it be dinner, his bed, his clothes or making cakes. He was the closest thing I ever had to actually having a loving and caring dad. I miss him so much. Even though I know he's in a better place and can walk and no pain. Im happy for him but im sad that he's gone. But I know I will see him again in heaven. Just know how much I love you papa Don ❤️ and I appreciated you and who you were to me, mom and my kids and grandkids. We all loved you and we will always miss you and we will keep you in our hearts 💕 forever. I just can't believe you are gone. With the covid rules we didn't get to be with you and im so sorry 😞 love you papa tell our loved ones hello and we will see you in heaven. Love Brenda jarmusz*
