“ My wife Carolyn and I have many good memories of Don and all his wonderful family. We went to school and church with him for many years. I would go play with him and Bill a few Sunday afternoons a year. We had great times. Our prayers for all the family for peace and comfort.

“ My condolences to Don's family. I remember him making the best molasses around. Friends and family would gather around the outside set-up to help stir and scoop. Another memory is when his parents and siblings all gathered at their house for Thanksgiving dinner. One year we got an early snow on Thanksgiving and the whole area was covered with beautiful snow before we left the house. I remember Don as a really nice man of very few words. Praying for peace and comfort for his family and friends.
