“ Donna, or who we Grandkids called “Nina” was one of the Greatest Figures that will exist in our Lives. Every time I call, or even walk into the Dining room, I will never forget those words that would seem to get me in a Great Mood, Right off the Bat, “Hello, Doll!” She was a Great Woman, Friend, Mother, Grandmother, but most of all, she was a Great Person, overall. She will be missed by all of who know her well. I love you Grandmother, Rest In Peace.

“ Donna was the most amazing grandmother, she always knew when something was wrong and she was always by her loved ones side. No matter what, providing and spoiling us grandchildren was her favorite. It is always had around Christmas now that she is gone. She lived for the Christmas Spirit. The tree, decorations, lights, and of course, shopping always made her great mood even better. She was our families rock, without her things went cold and not the same. Though she is no longer here physically- she is here with me watching over, she watches over all of us. As much as we miss her and want her back we know that she is in a better place, no longer sick or hurting, and her job is to be our guardian angel, and she is doing amazing. Forever in our hearts and never forgotten, her memory lives on.

“ *Donna's mom, Ruth and I were close friends for life. We worked together many yrs., and memories of Donna coming to the hair salon and always talking about Robin. Then I thought how young she was to be that much in love. But time has proven the love she had for her husband. robin, I am so sorry for this untimely death. Donna was always a loving individual, and shared that love through her personality. I'll forever remember the times of being around her as a good memory. She was a special individual to all. May God comfort you during this sad time.*
