“ *Dorothy is my cousin when we were young we got to spend some time together but as time moved on did we. Somewhere around 50 years past by we finally got to get together again. I wish it could have been longer. But we did get to share our tears, our laughs and share about our lives and I am very thankful for that. You are now with our family who has went before us, we will meet again. God bless your family I know they will truly miss you.*
