“ To the family of Dustin, I met Dustin when he lived in Shannon Valley Farms, he was my son’s neighbor. He was one of those guys that you meet and feel like you had known him for a lifetime. I would take him some small engine stuff he would fix and sell while he was on leave at the Railroad. He always insisted on giving me some of the profits from the sell. I always admired him for the man and father that he was to his two children. He always seemed to keep a smile on his face even when things were not going his way. In one conversation I had with him I ask him if he was a Christian and he assured me that he had ask Jesus Christ into his heart and saved him. I pray that in knowing this and that our God who will gives us a peace that passes all understanding will bring some comfort to your family. You all will be in our prayers and if I can help in any other way let me know. If we never meet on this side of eternity, I pray we ’ll see you in Heaven. May God bless.
