“*Darla I am so so sorry for your loss. I just saw this and so shocked. Last time I saw Dwayne he was a pallbearer for Darvin 10 months ago. He thought so much of Dwayne. They are rejoicing in heaven together. Prayers for you and the kids. Dwayne was a great friend!!! My heart breaks for you and your family. May God give you peace during this difficult time.*

“*Words can't explain the loss of this great man. He had the biggest heart filled with love for every body. No matter had things got at work he would be there to say "you need a hug". I miss his hugs and his pat with "your doing a good job". I am sure when he got to heaven that he went looking for Bruce and made some joke about how he couldn't leave without him. Love you Dwayne!!! My thoughts and prayers are with Darla and the kids*

*Oh Darla I just heard about Dwayne passing away its has broken my heart. Teresa and Mike both are so shocked with this so so sad loss. We wish we could have known. We would have been there had we known. Such sweet memories we all enjoyed. His mom Brenda and I were so close and all the kids enjoyed each other. We were like one big happy family. My Mike said its was the happiest time during this whole life. I know it was for me too. My love and prayers for you and the rest of the family. One day soon we will all be together again never to be separated again. Till then I will hold you dear and near to my heart in prayer and loving you and your family the more in honor of Dwayne!! He's so happy now its hard for us to even imagine.*

“ *I met Dwayne when we worked together for 10 years. I know how fortunate I am to have know him. His happy personality to could bring sunshine to the worst of days. He was always the first to give you a pat on the back or offer help anytime you needed it. He also enjoyed sneaking up behind you and yelling boo just to to see you jump out of your skin. Then he would smile his big smile and laugh like a kid. He was a man who never missed an opportunity to let you know how much he adored his wife and children. He was one of a kind and will be greatly missed by anyone who was blessed to know him.*

“ *Dwayne was an angel on earth. One of the kindest, gentlest men I've ever met. Man could he cook and crack jokes about us that couldn't. He didn't have the stomach to eat my beef jerky but he sure did brag to me about his. Dwayne was a tremendous friend and always demonstrated his unwavering love for Darla, Andrew and Natalie. The world has lost a wonderful husband, father, brother, friend and overall amazing man. May God bless and comfort the entire family.*
