“ *It has been a while. There isn't a day that goes by I don't think about you EJ. You meant so much to me, you don't even know. That fatal day on May 2 2015 haunts my dreams every night. I sit and wonder all the time, if that guy wouldn't have pulled in front of us, were would we be? Doctors at UT hospital had to strap me to the bed because I refused to stay in my bed, even with almost every bone in my body was broken....I wanted and tried to find you!! They had to drug me to the point to were I couldn't get up. Rest in peace my love, rest in peace. You will never be forgotten EJ.*
