“ *Cynthia I am so sorry to hear about your mother. She was a very special person, I always enjoyed talking with her any time I had the opportunity to meet with her. I know her passing is going to leave a big hole in your heart, but she would not want you to grieve, she would want you to live your life to the fullest. She will always be there with you in your heart and memories. My prayers go out to you and all the family, she had a wonderful long life, and now she will wait in heaven for you to join her*❤️
