“ Don and I have had the pleasure of knowing Emmett for over 22 years. He has been a good neighbor and friend. He was always working around his place and always willing to help others. We thank God he is no longer in any kind of pain and is at peace in his heavenly home. We will keep Nancy and the family in our prayers.

“ I 1st Emmett and Nancy back in 2007 when we were fortunate to become next door neighbors . It didnt take me to get to know them as a Very loving couple that loved each other. Emmett helped me to learn how important it is to help one another. He tirelessly helped any one in our entire neighborhood with what ever the needed. My good friend will surely be missed by many.
