“ Pricilla: I have thought of Fred many times and included him in my daily prayers over the past couple of years. He was a lifelong friend and I have many memories of our early teenage years. He was someone who I could always count on. Peace be with you. Pod Miller

“ Pricilla and Wanda Faye , I was just thinking of you all last week and even ask a few people. Being gone all these years from your childhood home, no one seemed to know.
So sorry for your loss and just want you to know my thoughts and prayers are with you. Fred Dale was a fine person.
