“ Bill and Eursa always treated me as one of the family. He loved Eursa so much and I know he missed her. It was so sad when Gene passed away a few weeks ago. Bill's heart was broken to lose his firstborn child. Now he's in Heaven with them both. Heaven gained an Angel and we lost an Angel on Earth. Bill loved his family and it showed in everything he did. He also loved the Lord and taught his children to love the Lord. I will never forget this wonderful man. Praying for the family today and in the days ahead.

“ *Wilma, Della, Kay and all the rest of this wonderful family my heart is so sad to not be able to see & take pictures of my Bill. I hope you know how precious he and you are to me. I will miss him dearly. There are so many memories that are in my heart and will be there forever. I remember playing softball it made me feel like I was part of this family and I didn't want to ever let go. I thank my God for being me to this precious man and his family. I love you all and pray God will give you peace knowing your Daddy is in Gods arms.*
