Glenn was a wonderful pastor and friend. We had many years of fellowship and friendship if you needed him he was there. I'm so sorry for your loss Michelle, you were the apple of his eye and I am praying for you because even though you know he's happy in heaven he was still your dad. God will carry you through. I love you.

Rip Glen you are at home with Jesus that you told us about and with Doris, you will never be forgotten, Earth's loss is heavens gain. we love you so much and thank you for the love you gave me and my family, and as you always did was give a huge bear hug and say a bushel and a peck and a hug around the neck. there will never be another like you and no one can ever fill your shoes it's been an honor to have you as our pastor and dear friend. love and miss you for always until we meet again ❤️😭💔

“ Glen was one of a kind! He always had a smile on his face and told all of us at the bank how much he loved us. We loved him too! He was a great man of God and I know he is shouting all over Heaven. He loved his family and his church. He will be missed at the bank for sure. You will be in my thoughts and prayers.

Glen was always a man of Stature. To know him, was a honor. He would shake your hand in a split second, that you would remember for a lifetime. Praying for the family.

I'm so thankful that I got to know and love him as a great man and pastor he was always there for me when I got saved to him marrying me in his living room to holding my hand no matter what preaching my father and brother funeral to just a hug and a big ol smile. I know he and Doris are together a shouting. My thoughts are with you Michelle as you and Sean played a big role in my life as well and how I wanted to be seen and thankful and grateful for showing me to god so I could become the Christian I wanted to be. Love you a bushel and peck and a hug around the neck. Love Amanda Joseph and Austin Lindsay
