“ *Melissa. I am so sorry for u. Believe me when I say I know how u feel. Mine has been gone a month today and so far it has not gotten any easier. No matter what I say to u, it isn't going to help. I do know that u guys had a lot of years together and that u were made for each other. All I can tell u is hold on to that and all the good memories you had together. It will help. Also, try not to what if . I did that with my Mom and my man. In the end it just makes u feel worse. It was obviously their time to go and nothing we said or did would have changed that. Do not beat yourself up. I try to tell myself that too, but it doesn't always work. Just take peace and comfort that he loved u and u loved him and that u had many years together. Feel free to contact me if u need to. I am so sorry for your loss. I am praying for peace, comfort, and strength for u and everyone involved*
