I absolutely loved this video of Helen. What a wonderful and full life she had! She was such a pretty lady when she was young. I only knew her as the sweet and beautiful lady that she was later in life but she never did lose that sparkle in her eyes. We shared a lot of laughs through the years as well as a few tears. I will miss her but I feel so lucky to have known her and call her my friend.

“ *Aunt Helen wasn't really my Aunt by blood but growing up she was a big part of my childhood. So many great memories. Such a sweet and loving woman. Now she will be reunited with Uncle Bill and the rest of her family. Love you....*

“ *Helen Burton was one the sweetest ladies I have ever had the privilege of knowing. We always had such a fun time when we were together sharing so many stories and great moments especially with Shorty and Bud. I will certainly miss her. Love to Steve and Barry and all the family. Nicki Bales*
