“ *Helen Craig is more like my mom than my own mom. She love me for myself and not for what she thought i should be. Helen is very special to me and i know i will see her again some day. We will talk about the flowers and the birds and watch the animals play in the fields. I truly miss you and you will always be on my mind and in my heart always, i love you Helen--- Paula Fowler*

“ *Grandmother's are a gift from God, and mine was one of the greatest..her smile could brighten a room, her bear hugs could turn your down right terrible day into a great one, her laugh was contagious and when said she loved you she meant it with all her heart. My life will never be the same without her. She was a gentle soul with a kind heart, a beautiful woman inside and out. I was blessed to have her in my life for 24 years. Im honored and proud to call myself her granddaughter. I love her more than she could ever imagine. Fly high my beautiful guardian angel. I'll see you again someday*

“ I have known Ms. Helen since I was a very small child—many, many years. She & Toby lived on my grand parents’ farm. She was “Jeanette” to me and I continued to call her that every time I would see her throughout the years. She always had a smile and was such a kind, caring person. She was always good to me and I have never forgotten her. What a legacy she leaves on this earth! You boys are hard workers—and I remember her as such, too. You are in my prayers for comfort as you grieve your loss. Sincere condolences.
