“Helen was my grandma. My mammy. She raised me. She cared for me. She was the only consistent thing in my life. The only person I could count on all the time anytime. She had my back since I was born. She was my other mother. My only family after dad died. I have nothing now and no one.. tell your loved ones how much you love them. You never know when they will leave you.. I love you mammy. I miss you already. Wish I could call you and ask you how to cook vegetable soup... love u always-Amber
