“ *What a wonderful sight it would've been to see you enter paradise with your loved ones that passed before you Mamaw, like Papaw Bob! Your soul is so pure and they just don't make them that way anymore. Thank you for loving my little family all these years and never showing differences in us because we wasn't blood related. Holidays will be much different without you but I know your work on earth was done and you did it so well. We love you dearly and look forward to seeing you again one day.* ☐
