“ *Melissa dear, such good memories of your mother during our childhood. Mrs. (Trent) always had a smile. Your mother and my daddy and uncle Loyd, all worked together at the mines. I always thought your mother was so cool for writing the checks for all the men at US Steel. If I recall, only two women were employed at US Steel, Mrs. (Trent) and Miss Ryder. Please extend my sympathy to David, also. You both were blessed to have your mother all these years. I will hold you in my prayers in the days ahead. With love and friendship, Cathi Jarnigan Robinson*

“ *I loved Helen and Fred so much. They were wonderful neighbors. Helen was fun and loving. She was like a grandmother to my daughter, Jessica. I have thought of her often in the years since I moved away. Much love, Tina Shoup Payne*
