I worked with James a bit at Exedy I didn't know him very long but knew enough of him to know he worked hard for his family. I'm sorry for your loss may God comfort you during this time of grief.

“ I met James while working at Sea Ray boats and instantly fell in love with him. He was so funny and from that first day it's like we had known each other all our lives. We spent many many nights after work playing darts and pool and goin dancing in the old city. Then it was to be waffle House for pork chops and eggs on hash browns. He will forever be my best friend and my life was truly blessed the minute he came into it. He is and always will be in my heart and never far from my thoughts. I love you my James.
