“ Luther and I spent the last 6 months or so together at Jefferson City Health and Rehab 24 hrs a day. He was a fine man and will be missed greatly. Most of the staff that knew him loved him and took good care of him. I got to know him pretty well and met several of his family of whom he was very proud. He was always letting people know who the different family members pictures he had on display were. I miss him a lot and couldn't have asked for a better roommate. We shared a lot of good times. I know he'll be greatly missed and my condolences to his family.
