“ Jan was a fine man from a wonderful family. His brother Bobby and I were friends and knew Jan and his two precious sisters. Jan was a good athlete and learned the landscaping business from a great mentorship at David Wilson Nursery . He took those skills to make a career and did well. “ Terry I am so sorry to hear of Jan's passing. You two were made for each other. I remember when I spilled the beans to Dean Tillman about you two dating she had not noticed the twinkle in both your eyes. Pellissippi has a way of getting special people together. I am thankful that you two found each other and were able to create many happy memories together even if it was for just a short while. In heaven time is measured differently, so keep looking forward to your reunion with Jan. I will continue to pray for you.
