“ *my sincerest condolences, i only had the privilege of talking to mrs. bozeman a couple of times, she was always so pleasant and kind, quick to offer a cold drink in the hot summer. i can say, with everything that is in me that she raised an outstanding family, some of the best people in jefferson county. her outstanding daughters have had a trickle down affect on their families which has resulted in an overflow of amazing grandkids! I know this firsthand through interactions with several of them, pretty sure George is showing her around and introducing her to everyone in heaven(George is the sole reason there will be NO strangers in heaven!)BIG prayers, love, and hugs to all of her family and friends. Remember, i am an only child and i am usually available for family get togethers. ❤️ much love, libby moore*
