# Tribute Wall

KY

“ *A beautiful person with a huge heart. Couldn't have asked for a better Papaw! Going to his house each day after school was a staple to my childhood. He lived a simple life and spent many years front porch sitting, staying active, and sharing God to as many people as he could. We lost a very special member of our family, but I know he's made it to Heaven and is no longer in any pain or discomfort.* ❤️
