“ I got to know Mr. Huskey at LifeCare in Jefferson City. He was a regular at our Sunday services through Wooddale Church of Christ. Always smiling, always singing joyfully, and always a joy to be around. "A stone's throw from 100!", he would say proudly! Such a loss to those who lived with him at LifeCare and for those of us who looked forward to seeing him each Sunday.

“ Joe is a remarkable caring man that shared his talents to enhance young minds in his metrigrid educational game. The children developed a special bond with Joe and the children looked forward seeing him. Here are some pictures of Joe and the students during a Thanksgiving Feast 12 years ago. The Lord had blessed us with this remarkable man that will be greatly missed. Sending our condolences to the family.

“ We are so sorry to hear of Joe's passing. He and Carolyn were sweet neighbors and wonderful friends. His love for education, community and inventions were known throughout the community. He volunteered many hours in the local school systems and was dedicated to helping others through his work with the Lion's Club. He touched the lives of many. Our prayers are with the family.
